

ROTHBURY ROOTS

"If there is a better, more intimate, and atmospheric venue for roots music in the UK, I have yet to find it." (Blues Revue)

Keeping Music Live @ The Queens Head ~ Rothbury ~ Northumberland

On THURSDAY 29th November 2018

Rothbury Roots Presents:

Sarah McQuaid

"The precision and sophistication of the writing and playing blows me away. I am so glad to be involved," writes guitar legend Michael Chapman in his introduction to **Sarah McQuaid's** fifth solo album

If We Dig Any Deeper It Could Get Dangerous which he produced.

Recently honoured with a Lifetime Achievement Award by the Ards International Guitar Festival in Northern Ireland, Sarah's also drawn critical praise for her voice (which has been variously likened to malt whiskey and melted chocolate) and her engaging rapport with audiences

With the release of this new album, Sarah has expanded her battery of instruments to include piano, electric guitar and drum, and it's drawn critical acclaim internationally. Rothbury Roots regulars will remember Sarah's previous visits and I'm sure will look forward to hearing this exciting new music as much as I am.
