*"If there is a better, more intimate, and atmospheric venue for roots music in the UK, I have yet to find it." (Blues Revue)*

*Keeping Music Live @ The Queens Head ~ Rothbury ~ Northumberland*

**On THURSDAY 28<sup>th</sup> September 2017**

*Rothbury Roots Presents:*

## ***State of The Union*** ***Boo Hewerdine & Brooks Williams***

This month we welcome back two old friends to Rothbury Roots. **Boo Hewerdine** is a much loved performer making numerous critically lauded albums and is held in high esteem as a songwriter by his peers. **Brooks Williams** is an American guitarist and songwriter firmly rooted in the blues but with influences in folk and jazz standards. Together as **State of the Union** they last came to Rothbury in 2012 and I'm very pleased to have them back again. They have released a 3<sup>rd</sup> State of The Union album this year (available only from gigs) which is an eclectic collection of cover versions and is right up there with the self-penned content of the previous two albums.

***"If you like fine musicianship, a song with a lyric worth listening to and a tune you'll go home whistling then you'll love this duo."***

***Doors: 7:30 pm Starts 8pm Admission £12***
